Sequoia Squads Start Practice Monday with Two Sessions Daily

15 Lettermen Lost, Eight Return; First Game With Wilmot, Sept. 17

Practice will start Monday for Antioch Township High School's football squads, Coach Paul Kessenich announced today.

Physicals were taken by the candidates this week and equipment is being issued.

Nearly three weeks of practice will be afforded before the Sequoias open their season with Wilmot in a non-conference game here in Antioch. Practice sessions will be at 8 a. m. and 5 p. m. daily until school starts and then of evenings thereafter.

Only eight lettermen are available from last year's squad, 15 having been lost through graduation and through ineligibility.

The graduating lettermen were Paul Matson, center; Allen Masoput, and Paul Eckert, guards; Jim Krieger, and Jim McMillen, tackles; Harry Lundgren, Chuck Davis, Fred Clarke and Ben Floyd, ends; Warren Brownlee, quarterback; Bill Gallagher, Jack Lawrence, and Roy Ballwanz, half backs; Bill Blake and Kenneth Van Patten, fullbacks. Jim Bown is ineligible for play this year.

The eight lettermen returning are Co-captains Jim Corbel and Jim Scully, centers; Jerry Huml, end; Bob Terry, tackle; Bill Layton, half-back and Don Schroeder, fullback.

Coach Kessenich says that much experimenting may be necessary to produce a winning combination, but he is looking forward to a good year.

"We'll have to be good from the very start and will have to stay good," he commented.

The schedule of games for the varsity this year is:

Saturday, Sept. 17 — Wilmot at Antioch 8:30 p. m.
Saturday, Sept. 24 — Antioch at Elia-Vernon 2:30 p. m.
Saturday, Oct. 1 — Grayslake at Antioch 8:30 p. m.
Friday, Oct. 7 — Antioch at Glenbrook 8:30 p. m.
Saturday, Oct. 15 — Bensenville at Antioch 8:15 p. m. (Homecoming)
Saturday, Oct. 22 — Antioch at Wauconda 2:30 p. m.
Saturday, Oct. 29 — Palatine at Antioch 8:15 p. m.
Saturday, Nov. 5 — Antioch at Grant 8 p. m.

Salvation Army Plans Annual Pilgrimage to Camp Lk. Sept. 2-4

The Salvation Army announces plans for the Seventh Annual Pilgrimage at their Wonderland Camp, Camp Lake, Wis., over the Labor Day week-end, beginning Friday evening, Sept. 2, running through Monday noon. Between 200 and 300 Salvationists and friends are expected to attend this annual retreat.

Commissioner Edgar Diben, the chief of staff from London, England, with Mrs. Diben, will be the main speakers. The commissioner is second in command of the world wide Salvation Army. He will be supported in these meetings by Commissioner Donald McMillen, national commander from New York, and Commissioner Claude E. Bates, the territorial commander for the eleven midwest states.

Public meetings will be held Saturday evening at 7:30, Sunday morning at 10 o'clock, Sunday evening at 7:30 and Monday morning at 10 a. m. Commissioner Diben will be the main speaker at these public gatherings.

In addition to these Army leaders, the famous Chicago staff band, the band with a sacred message, and the Staff Chorists of Chicago will furnish the music. Other public meetings will be held Friday evening and Saturday morning in the chapel. Also special Bible classes will be conducted Saturday morning, afternoon and Sunday morning.

According to Brigadier Charles Overstake, divisional commander for the metropolitan area and director of the pilgrimage, the purpose of these meetings is to provide a religious retreat in a day of increasing complacency and materialism, to take time in a busy world to think on the things of God for the strengthening of the inner man and to help launch a world-wide campaign "for Christ and the people." These inspirational and educational services are open to the public.

Mr. and Mrs. Dan Williams and little daughter of Des Moines, Iowa, are visiting at the home of Mrs. R. D. Williams.

Editorial

Last Sunday evening the Antioch Community Band presented its first annual Sacred Music Concert. In addition to the band numbers a combined chorus, made up of members of choirs of the various Antioch churches presented several numbers.

Louis Chenette, band director, and Charles Watson, director of the chorus, are to be highly complimented on the quality of the music presented.

The concert was extremely well received by the largest crowd to assemble for a concert this season, indicating that music which glorifies God is an attraction second to none.

Only deterrent to the success of the concert was the fact that it had to be presented in what remains of the old village park, with a constant stream of traffic passing down Orchard street and Broadway. It seems a shame that such a concert had to be presented under these circumstances.

Of course, persons driving through the area of the concert had no way of knowing of what was in progress, but it seems to us that the streets might have been closed for the one hour taken by the concert. Maybe we're wrong but it seems that a program of this nature should receive at least as much consideration as a "street dance" for which our streets have been closed many times.

The Antioch Community band is now in its third season, with constantly growing membership and a solid organization, and there is no reason why a wealthy area such as Antioch, cannot provide an adequate band shell and sufficient room for listeners in a good location.

As a cultural activity, the band deserves the support of every resident, it provides music for the community and also a means of keeping youngsters interested in something worth-while.

Native of Ceylon Will Speak At Methodist Church Next Sunday

Adrian Fernando, a native of Ceylon who is a student at Garrett Biblical Institute in Evanston, will be the speaker at Sunday services at the Antioch Methodist church.

He will speak before a young people's group and the Sunday school before the morning worship service. Before he came to Garrett, Mr. Fernando was a soil chemist for the Ceylon government for seven years. He resigned to enter the ministry of the Methodist church, but as there was a need for a teacher in chemistry in Wesley College, Colombo, Ceylon, he had to accept the teaching appointment for a few years.

Mr. Fernando expects to be at Garrett Biblical Institute until March, 1956 after which he will return to his country to preach as he has been planning to do, and has been trained for.

Ceylon is an island to the south of India and has a population of 8½ million people. Sixty-nine per cent are Buddhists, 11 per cent are Hindus, and 8.8 per cent are Christians, of which 5 per cent are Catholics and only 1 per cent Methodists.

"We are known for our tea, elephants, and precious stones, but we also have 8½ million people," he commented.

Hickory Corner School To Enroll Twenty-six

Hickory Corner school will open Tuesday, Sept. 6 with a probable enrollment of 26. Last year the enrollment was 14 owing to the fact that a number of the pupils went to Antioch Grade School.

"It will be the largest enrollment for some time," said C. F. Spiering, president of the school board.

Those who went to Antioch last year must return this year or pay tuition at whatever school they attend. They and new pupils in the district will give Mrs. DeWitt, formerly Miss Lux, a nice size class. All grades are taught in the one-room school.

While a movement was started to withdraw a part of the district and annex it to Antioch last year, the matter was taken to court and a status quo situation now exists.

MRS. YATES ENTERTAINS BRIDGE CLUB TUESDAY

Mrs. Fred Yates, 383 West Lake st., was hostess to the members of her bridge club at her home Tuesday evening.

Little League Picnic Climax of Season; 3 Games Still Remain

Sox in Lead, Cubs Next; Organizations Choose 1956 Officers

Although the Sox are leading the Little League, two games with the Tigers while the second place Cubs have but one game with the third-place Dodgers, present a possibility of an upset or a tie for the championship.

The Sox will meet the Tigers at 1:30 p. m. Sunday, and on Sunday, Sept. 4 they will again play the Tigers at 3 p. m. The Cubs will play the Dodgers at 1 p. m. on that day.

The windup celebration—the annual picnic—held last Sunday at Fox River Park was well attended. Between 75 and 100 Little Leaguers, Pony Leaguers, and Minor Leaguers, with their mothers and fathers had a grand time playing games, drinking pop, and picnicking.

The election of officers for the coming year saw Frank Kennedy, Jr. elected as president; Clarence Oyle re-elected vice president; Sigurd Nielsen and Jack Fields re-elected athletic director.

President Kennedy appointed the finance committee as follows:

Jack Fields, chairman, Elmer Eberman, H. William Lang, and Charles Larson.

The grounds committee will be headed by Lee Ipsen, chairman, and will include Otto Christensen and John Blanchard.

The Mothers' Booster club also held its election and Thelma Nelson was elected president; Estelle Bloss, vice-president; and Lorraine Blackman, treasurer.

The present team standings of the Little League are:

Team	Won	Lost	%
Sox	14	3	.823
Cubs	14	5	.737
Dodgers	13	6	.684
Tigers	9	8	.529
Yankees	3	17	.150
Giants	2	18	.100

All Little League and Pony League players not scheduled to play have been requested to have their uniforms laundered and turned in to the coaches.

Antioch Grade School To Open Year Sept. 6

School opens for registration in the Antioch Grade School on Tuesday, September 6, starting at 8:45 a. m., and closing at 11:10 a. m. for the children, but teachers will remain for an afternoon workshop period.

The cafeteria will be in full operation on the second day of school, Sept. 7. The charge per meal will be 25c and, with 17 school days in September, the charge for this month will be \$4.25. Parents are urged to pay for children's lunches by the month, in advance, in order to relieve the teachers of excess bookkeeping.

All kindergarten and first grade students enrolling in this district for the first time must present birth certificates as proof of age. Children residing in District 34 are eligible to attend kindergarten if their fifth birthday is on or before Dec. 1, 1955; while those who will be six on or before December 1, 1955 may be enrolled in first grade. Kindergarten children will register the first day in two shifts. Those who live outside the village of Antioch will attend the morning session and will register Tuesday morning.

Those living within the village limits will attend the afternoon session and register Tuesday after 12:45 p. m. Parents may take their kindergarten children home immediately after registering them on the first day. The kindergarten fee will be \$7.50 for the year, which includes insurance.

Kindergarten children and children new to this district may register at the Antioch Grade School (Continued on page 3)

Collector Horan Gives Extra Day to Pay Tax, Makes Other Payments

Because Antioch banks are closed on Wednesday, Aug. 31, Town Collector John L. Horan will give payers of personal and property taxes an extra day in which to pay before the books are turned over to the county treasurer.

His official notice says that the taxes may be paid on Thursday, Sept. 1, at the First National Bank.

Horan supplied the Antioch News this week with information of additional payments to township units. The town received \$5,000 and the Hickory Corner School District No. 27 received \$4,000 for the coming year.

Fighting The "COOL" War

Sacred Concert Sunday Well Received; Concluding Bi-Weekly Concert Tuesday

Hayloft Jamboree, the V. F. W. Home Talent Show, Saturday Night

Plenty of outstanding entertainment and a lot of fun are promised at the Hayloft Jamboree of the Veterans of Foreign Wars at the Antioch Township High School at 8 p. m. Saturday.

The show with a hayloft setting will feature outstanding home talent.

Ten Antioch men will serve as chorones and wear attractive women's apparel as they do the can-can. The chorus comprises Harry Dexter, Richard Burnett, Ed Palski, Dick Seyfarth, Ray (Red) Nelson, Austin Kersten, Homer LaPlant, Virgil Burnett, Jim Harvey, and Bob Strang.

Guitar players will include Mrs. Marjorie Blank and son; Lila Palski, Harold Herne, WTMA, Milwaukee TV artist; and Mrs. Florence Dexter, director of the show. From Marek's Conservatory of Music in Antioch will be the accordion players, Helen Richter, Sharon Bauer, Margie Lehman, Nancy Neme, and Elaine Brady.

A vocal quartet from Channel Lake, Gene Wire, soloist; the Toopers; Frances Mattis, daughter of Frank Mattis who plays the part of Rastus; Diane Pondus, vocalist; the Merry Mixers square dance team from Waukegan; Carol Grienke, acrobatic dancer from Round Lake; and eight dancers from the Kaye Fish Dance Studio at Kenosha, are among the other entertainers.

All are donating their services and the profit will be turned over to the V. F. W. building fund. Tickets are available at the door.

Services Next Sunday Conclude Dedication Of Lutheran Church

Dedicatory services will be concluded for the new Faith Evangelical Lutheran church on Eve. 22-23 Sunday.

The local pastor R. P. Otto will be speaker at 9 a. m. and lead in the ritual which was begun in services last Sunday. His brother, Pastor Karl J. Otto of Wauwatosa, Wis., will be the speaker at 3 p. m.

As was the arrangement last Sunday, the women of the church will serve dinner at noon.

Pastor William Lehmann of Libertyville was the morning speaker last Sunday and Pastor Elton Huebner of Milwaukee was the speaker at the afternoon service. Dr. T. M. Otto, another brother of the pastor, was the organist.

Cooler weather next Sunday is expected to encourage a larger attendance. The intense heat last Sunday made itself felt on the afternoon attendance.

The new church at the south edge of Antioch is an attractive building and is expected to draw many visitors. Finishing touches are being made yet this week to the interior.

Offerings collected last Sunday and next Sunday will go to the church building fund.

Mr. and Mrs. Lyle Eppers left Wednesday morning for their home at Temple, Texas, after spending two weeks with their parents, Mr. and Mrs. Ray Eppers of Loon Lake.

High School Staff Of Twenty-one Announced By Principal Dittman

Hiring Chemistry Teacher Completes List of Instructors

The Antioch Township High school teaching staff has been completed with the employment of Elroy Robinson by the board of education. Mr. Robinson will teach chemistry and general science.

Robinson received his bachelor of arts degree from Fresno State College located at Fresno, Calif.; he has taught science in Merced, Calif., and has done a great deal of teaching, counseling, and supervising in youth camps.

A teaching staff of 21 for the 1955-56 school term was announced this week by Principal Albert Dittman, as follows: Carol Bean, B. S., will teach Spanish and English; Veva Buchholz, B. S., is the Home Economics instructor; Daniel Cahill, M. A., English; Donald Chiappetta, B. S., will again serve as librarian and English teacher and coach the freshman football team; Robert Chandler, B. S., Mathematics; Louis Chenette, B. A., will direct the music department; the mathematics department will be headed by Donald Cramer, M. A.; Nary Donovan, B. S., will again instruct girls' physical education; Elmo Edwards, M. A., is the Assistant principal and science instructor.

Teaching of Industrial Arts and (continued on page 6)

Hot Weather Brought Resort Business But Cool Spell Welcomed

From a high of 97 degrees last Sunday to a low of 58 degrees Monday and Tuesday nights was the great drop in temperature experienced by Antioch as the result of the cool wave from the north.

The cooling breezes brought no rain, however, although some is promised.

Cooperative Observer Roy Kufalk's report of the 58 degree temperatures was the lowest in Lake county on Monday and Tuesday, and at the same time his highest on Sunday was slightly under that of other surrounding stations.

Dry weather has been hard on crops in this area, but the cooler breezes are more conducive to the conservation of moisture.

Antioch is more fortunate than many other villages in Lake county, because of her plentiful supply of good water. Zion, Round Lake, Deerfield, and Highland Park all have water shortages.

The hot weather brought large crowds to the lake region and the resort business is still going good. Business in Antioch has not reached the doldrums that it usually does in August. Many city people are coming to the recreation area for the last two weeks before school starts. The cool spell wasn't enough to scare them away.

Kell, White Sox Star, Nearly Drowns Monday At Silver Lake, Wis.

George Kell, veteran star infielder for the Chicago White Sox baseball team, narrowly escaped drowning while swimming with his two children in Silver Lake, Wis., Monday.

Kell, 33, and his family had gone on an outing to the home of Ray Berres, White Sox coach, at Silver Lake, and he had gone swimming with his daughter, Terry 5, and son, George, Jr., 9.

Terry was on Kell's back while he towed George, Jr., on an inner tube to a raft. A wave hit Terry and she jumped on her father's head knocking him under the water.

"I almost strangled and blacked out," Kell said. "I went down once, came up, but my strength was gone. I went down again and was still almost completely out when I came up and saw that Terry was safe. George had grabbed her and she was holding onto the inner tube."

"By this time my strength had partly returned. I towed them to the raft, which luckily was only a few feet away. It was the big scare of my life."

Kell has suffered a back ailment most of the year, but is leading the Sox as a batter.

Antioch Assembly Order of Rain bow for girls honored the members of the advisory board, Antioch chapter of Eastern Star, and Sequoia lodge at a meeting Monday evening at the Masonic Temple. Lunch was served by the girls in the dining room following the meeting.

THURSDAY, AUGUST 25, 1955

A Great Story

An association of dry goods and variety stores recently held a convention in Chicago. Its theme was: "Plan, Promote, Sell More Than Ever Before."

In a TV appearance Secretary of Agriculture Benson said: Retail food prices now are lower than they were two years ago.

Speaking before an advertising federation, the head of a leading food manufacturing concern said: "We would be terribly remiss if we did not record the amazing jobs being performed these days by food distributors and retailers. . . . Their net profits, after taxes, on dollar sales will not work out to an over-all average of even 1 1/2 per cent. They are masters of the art of fast turnover, which permits attractive prices to consumers."

These items all add up to one thing. Retailing today is about as competitive an operation as anyone can imagine. Every kind of store, from the national chains to the family enterprises, is out for business. That means it is trying to offer lower prices, better service, more attractive advertising, or some other inducement to the public. And that, in turn, means that the average worker's take-home pay is buying more of just about everything—clothes, appliances, food, and so on.

American retailing has a great story to tell—and it's a story everyone can listen to his advantage.

Grass Roots Opinion

GARNER, IOWA, LEADER: "There has been a great deal of talk about taxation. It is surprising to find the lack of knowledge that exists as to how taxes are determined and where tax money goes."

PAMPA, TEXAS, DAILY NEWS: "A point that often seems lost in any discussion of the federal income tax is that the present law provides the machinery for taking all of the income of every producer.

That is actually how the law is now set up. . . . There is no limitation on the extent to which the government can go in the confiscation of any one's income other than the judgment of the bureaucrats in Washington who determine just how much the public will stand."

REYNOLDSVILLE, PA., STAR: "The American people from the Boston Tea Party through the 18th Amendment have failed to cooperate with any law that they did not personally understand and accept. This American attitude sometimes leads them into actions that are dangerous to the lives of others as well as their own. This is often true in their attitude toward traffic safety. . . . The dangers of driving too fast, particularly during the heavy traffic summer months, must be told and retold."

The Low Down From Hickory Grove

The idea seems to be getting around—here and there—regardless of all the ifs and ands of economic discussion, history, and pros and cons—that folding money is here to stay, and copious. The New Era theory of 25 years ago where we were permanently—we thought—on a different and higher plane where there was no DOWN to anything, is becoming stylish again—a New Era a la '55 style.

Toward the end of the 20's the Theory of a New Era exploded quite vigorously. It was followed by a theory that mucha do-re-mi should be ladled up and donated to the farmers of the Nation for their not doing things—for not doing too much—for raising less versus more. Then a few years later the "prop" idea hit us—and we guaranteed the grower a bonus above a supply and demand price. We are still at it—as wheat and corn ooze from our pores—plentiful but costly, with a loaf of bread at an all time high.

This little digest of history shows that Theory versus Horse Sense is dynamite. If the ventures now run by the Govt. were sold and turned back to private owners, taxes would roll in from same. Individual taxes would recede—the cost of living could come back to earth levels. Our socialistic theories have back-fired. We better give a more attentive ear to Mr. Herb Hoover's 20 task forces who are trying to devise ways of getting Theory out of the Govt. woodshed. Such would be good for what ails us most—king size taxes.

Yours with the low down,
JO SERRA

LAKE VILLA

Circle No. 1 of the Woman's Society of Christian Service will meet at the church on Wednesday afternoon, Sept. 7, at 10 a. m. for an all day meeting and sewing for Lake Bluff Orphanage. Bring your own sandwiches. Dessert and coffee will be provided by Mrs. Statham Neill will be in charge of the devotional period.

Mrs. Jos. Botts and son Danny, also her mother, Mrs. Leo Barnstable, left Saturday by car to drive to San Diego, Cal., where Mrs. Botts will meet her husband, CPO Jos. Botts of the U. S. Navy who is due back from a trip to Japan, after several months of absence. Mrs. Botts and Danny have been with her parents since the Christmas

holidays. Mrs. Barnstable will return by train.

Mr. and Mrs. Herbert Fischer, Mary Margaret and friend Judy Apostolou attended the Wisconsin state fair at Milwaukee last Sunday.

Mrs. Lottie Barnstable was hostess for the Pinochle club at her home on Tuesday afternoon this week for potluck dinner and afternoon of pinochle.

Mr. and Mrs. Jos. Pleviak are entertaining Mrs. Pleviak's sister and husband who arrived Saturday night from Syracuse, New York.

The "Sons of Norway" a club composed of Chicago people, enjoyed a picnic at their club west of the village over the week-end.

Mrs. Kenneth Plummer returned

last week from the Sherman hospital in Elgin where she had been a patient for observation and treatment.

The inhalator squad of the fire department was called last Tuesday night when Dr. M. H. Gindich suffered a heart attack. He is now a patient at St. Therese hospital and is improving.

Mrs. Herbert Fischer and Mary Margaret have returned from a visit with Mrs. Fischer's parents, Mr. and Mrs. J. O'Brien in St. Louis.

Henry Jarvis is enjoying a two weeks' vacation from his duties at the Weber Duck farm, so he and his family visited relatives near Kenosha last week.

The Horace Mann pupil insurance

will be offered each student for a

yearly charge of \$1.25. The child

is insured against accidents while

at school, or traveling to and from

school.

Three buses will be in operation,

starting the first day of school.

The schedule will be as follows:

George Eck, with bus "D", will pick up all grades on North Avenue, North shore on Channel Lake, and on the north side of Lake Catherine at 7:50 a. m. He will return to Tiffany Road, 173, and Channel Lake, where he will pick up only upper grade children on his first trip. At 8:20 a. m., he will make a second run to Channel Lake by way of Tiffany road and pick up only lower grade children.

Robert Horton will start picking up children with Bus "C" on North Avenue east of Antioch at 7:40 a. m. His second run will be to the former Oakland District, starting south at the Bean Hill corner at 8:10 a. m.

Roy Bolton, with bus "B", will start picking up children from the Deep Lake area at approximately 7:50 a. m. His second run will be to Loon Lake via Oakland at 8:20 a. m.

All lower grades (grades 1, 2, 3, and 4) will be dismissed at 2:30 p. m., while the upper grades (5, 6, 7, and 8) will close their day at 3:20 p. m. The afternoon bus schedules will be as follows:

2:30 p. m. (Lower grades only)—

George Eck, Bus "D", west of

Antioch to Channel Lake, Tiffany

Road and North Avenue.

3:37 p. m. (Lower grades only)—

Little Silver Lake.

2:30 p. m. (Lower grades only)—

Bob Horton, Bus "C", east of Antioch, State Line Road, Deep Lake

Road and Route 173.

2:30 p. m. (Lower grades only)—

Roy Bolton, Bus "B", south and east of Antioch—Loon Lake, Deep Lake

and Oakland community.

3:20 p. m. (Upper grades)—

George Eck, Bus "D", west of Antioch to Channel Lake, Tiffany Road

and North Avenue.

3:20 p. m. (Upper grades)—Bob

Horton, Bus "C", east of Antioch

via High School, 173 and State Line

Road.

3:20 p. m. (Upper grades)—Roy

Bolton, Bus "B", south and east of Antioch—Loon Lake, Deep Lake

and Oakland community.

Friday, Sept. 16, is the Lake

County Annual Fall Institute day,

when schools will be closed.

**TV
Stuff**

By JACK SEIB and JOHN SHERBET

When you see food commercials on television from now on, think about the eighty pork chops they wasted to get on film just right that shot of the six that you actually see. Or, the dozens of eggs and many pounds of bacon for that delicious frying pan scene of bacon and eggs. A company, "Video Vittles, Inc.", specializes in producing food commercials. It's not an easy job and it's very expensive. For the average four minute commercial there are six hours of filming and hundreds of feet of film.

Little tricks like making rice blue to show up on the TV screen are necessary for good food viewing. And in television commercials this is important.

Just like in television servicing, you must know and understand the electronic equipment to make fast and efficient repairs. We at COURTEOUS TV are authorized electronic technicians and will stand behind our services. Phone Antioch 144 and let us prove ourselves with our services.

The best deal you can get is the deal built into a Pontiac!

The Spectacular Star Chief Custom Sedan

There's something you ought to know before you sign up for a new car—something half a million owners of the '55 Pontiac have already learned to their profit.

You actually get two important money-saving deals when you buy a future-fashioned Pontiac.

You get the kind of trade-in allowance you'd expect from Pontiac's volume sales. The biggest year in our history pays off for you in appraisals that won't be topped!

That's deal number one—and the second is even better! We're talking

now of the terrific deal that is built right into the car itself.

Compare Pontiac's modest cost with that of any other car combining such fine-car size (124 inches of road-leveling, road-hugging wheelbase), such blazing horsepower (200* eager "horses") and such luxury-car stability—and here's what you'll find:

That combination anywhere else will cost you hundreds of dollars more!

Get the proof that the big, high-styled, high-powered Pontiac you really want to own is actually your easiest buy. Come in and talk trading—now!

*with 4-barrel carburetor, an extra-cost option.

Before You Take Any Deal

Penny Flame* says:

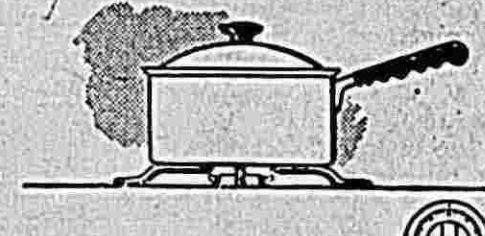

You'll

* N. I. GAS Co. **cook COOL with GAS!**

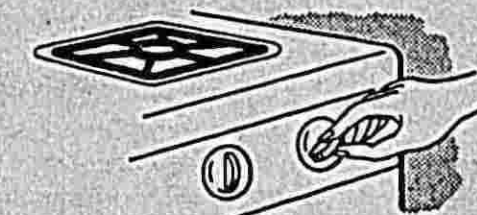

...and here's why!

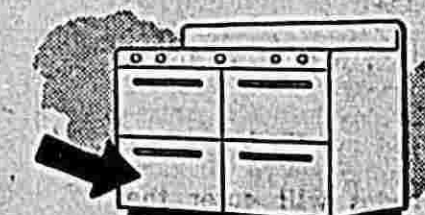

OVENS have thick-blanket insulation to keep the heat on the job and out of the kitchen.

GAS flame adjusts to the exact cooking speed you need... there's no excess to cook the cook!

ONLY GAS shuts off instantly. There's no lingering heat as with other type ranges.

ONLY GAS broils with the oven door closed...heat doesn't pour needlessly into the kitchen.

MODERN GAS RANGES offer every cooking advantage...yet they cost less to install, less to use, less to maintain! See them today at our nearest store or at your DEALER'S.

SOCIETY EVENTS

Women of Moose Get Seven New Members

Balloting on seven new candidates for membership was favorable at a meeting of the Antioch chapter of the Women of the Moose at a meeting held Thursday, Aug. 18. The new candidates will be initiated at an early meeting.

Many committee reports were heard and plans of committees for the coming year. Among these are plans of the Ritual committee for a bake sale on Oct. 7th.

The Publicity committee will sponsor the Chapter Night program for Sept. 1, and a guest speaker, Mr. Stuart McDonald, will be present. Mooseheart alumni served the refreshments.

Antioch to Participate In Moose Dist. Meeting

Antioch Moose will play Crystal Lake Moose in baseball at the district picnic at the V.F.W. grounds at Crystal Lake Sept. 18. The district which comprises Lake and McHenry counties will have a class of candidates on Sunday, Sept. 17 at Crystal Lake, with each lodge providing candidates. The class will be named in honor of Ra Lachance of Waukegan, district third vice-president.

Christian Science Talk At McHenry Next Sunday

How the understanding of God's spiritual laws may be applied in daily living will be the topic of a Christian Science lecture to be given August 28, by Robert S. Van Atta of Rochester, New York, it was announced today by Christian Science Society of Antioch, Ill.

Mr. Van Atta, who is on tour as a member of the Christian Science Board of Lectureship, will speak in the McHenry High School auditorium, Green street and Waukegan ave., McHenry, Ill., at 3:30 p. m. (DST). The lecture is open to the public without charge. Mr. Van Atta's subject will be "Christian Science: Its Triumph Over Atheism and Idolatry."

An engineer for a number of years, Mr. Van Atta served in an engineering capacity at one time on the Panama Canal and on railroad construction in Bolivia. He later was an aeronautical engineer with the Army Air Corps. He has been a student of Christian Science since 1918, is an experienced public practitioner of Christian Science healing, and has been a Christian Science lecturer since 1946.

"GOD'S GRACE TO BE SERMON THEME AT BAPTIST CHURCH

At the 11 a. m. worship service of the Baptist Bible church pastor Arthur Martindale will be preaching on "Growth in Grace," the second in a series of messages on Ephesians, the epistle of grace.

The church temporarily meets in the Progressive Club building behind the H & H Hardware on Cedar Lake rd. in Round Lake Beach. A cordial welcome awaits you at this friendly church where hungry hearts are fed.

Mr. and Mrs. William Kufalk and daughters Ruth and Kathleen, returned home recently from a vacation trip through the southeastern states, after spending several days at Williamsburg and St. Augustine, they visited with the L. O. Bright and Walter McLendons families at Lakeland, and the Bernard Gillespie family at their "Ebbtide" Motel at Treasure Island, St. Petersburg.

MRS. KAYE HOSTESS TO PAST MATRONS CLUB

Sixteen past matrons of the Order of Eastern Star were entertained at the home of Mrs. Eva Kaye, Thursday evening. Bridge was played during the evening, followed by a delicious luncheon served by the hostess.

ENTERTAINS AT BRIDGE-LUNCHEON

Twelve Antioch ladies were entertained at 12:30 luncheon and bridge party at the home of Mrs. Charles Watson at Camp Lake Tuesday afternoon. Prizes were awarded the winners of highest scores.

Mr. and Mrs. Charles Rigby of Atlantic Highlands, New Jersey, arrived in Antioch recently for a month's vacation with his mother, Mrs. Calvin Harden and his grandmother, Mrs. Mary Willie, after which they plan to go to Urbana, Ill., where Charles will enter the University of Illinois.

Engagement

Ruth Ellen Raether

Mr. and Mrs. Orland Raether announced the engagement of their daughter Ruth Ellen to Charles Plett, son of Mr. and Mrs. Curtis Plett of Turpin, Okla., at a family picnic at their home on State Line road, Sunday. A late fall wedding has been planned.

Levassieurs Have Twin Boys

Mr. and Mrs. Joseph Levassieur of Fox Lake are parents of twin boys, Albert Renne, and William Jack who were born in Hazel Green, Wis. Mrs. Levassieur was on a motor trip while on vacation and was forced to stop at Hazel Green when her babies began their arrival instead of the expected October date. Births took place in a hospital there and after five days they were placed in an incubator and moved to St. Therese hospital in Waukegan by ambulance. They will remain in an incubator there until they have reached the size when they can be taken home. Mr. Levassieur is manager of the Grande Cleaners in Antioch.

Graham Memorial Mass

A memorial mass will be said in St. Peter's church in Antioch next Monday for Lieut. Anton J. Cermak Graham, who was killed in action 11 years ago in the battle of Brest, France while leading Company I, Ninth Infantry, Second Division. Lieut. Graham was the son of Mr. and Mrs. Richey V. Graham of 1341 Park Ave., River Forest and of Channel Lake, Ill., and the grandson of the late mayor of Chicago, Anton J. Cermak.

Reports at Baltimore, Md.

Peter Poulos, who has been visiting his father, Ted Poulos and other relatives during the past month, will leave Sunday for Baltimore, Md., to resume his service in the navy. He expects another trip abroad before he completes his enlistment term next March.

Mr. and Mrs. Elmer Rentner and family left Antioch Monday for a vacation at Crandon, Wis.

Miss Betty Lou Williams is vacationing in Northern Michigan.

Mr. and Mrs. Elmer Eberman and family are vacationing at Antigo, Wis.

Try praising your wife, even though it might frighten her at first.

Parents of Cub Scouts To Meet Next Monday

There will be a meeting of Cub Scout leaders, den mothers, and one or both parents of any boy who is now a Cub Scout at the Scout House at 7:30 p. m. Monday.

The meeting is designed for parents of only those boys already enrolled and interested in continuing Cub Scout work.

As soon as it can be determined whether there will be any vacancies for Cub Scout members the public will be informed.

If a Cub Scout's parent does not attend this meeting, or otherwise indicate his interest, his boy's name will be removed from the roll thereby creating a vacancy for a new member. This meeting is limited to Cub Scout parents.

Thank You!

At the close of the "Red Heart Tag Day" held on Saturday by the Volunteers of America to aid destitute mothers with children in care of the organization in this state, Mrs. Laura Swanson who had charge of the affair reports that Carolyn Stoffel was entitled to the first prize having secured \$25.81. The second prize was won by Janice Hattendorf who had \$22.88. The third winner had \$21.60. The other workers were made happy with movie money.

The sponsors are grateful to those who worked so faithfully all day and to everyone who contributed in any way toward the success of the occasion.

High School Staff.....

Install Legion Auxiliary Officers

Mrs. William Lippert, left, tenth district director of the American Legion Auxiliary, extends the gavel to Mrs. Burt Anderson, whom she installed as president of the Antioch Auxiliary Thursday evening, Aug. 18. Mrs. John W. Horan, right, is outgoing president. (News-Sun Photo)

Auxiliary News

Installation of Officers

The new officers of Antioch Unit 748 for 1955-56 were inducted in joint ceremony with Antioch Post American Legion last Thursday evening. Pearl Anderson was installed as president, with Corrine Carlucci first vice president; Addie Horton second vice; Caroline Horan, secretary; Maude Johnson, treasurer; Bess Wald, sergeant-at-arms, and Eva Gaylord, historian.

Mrs. Ruth Lippert, 10th district director was the installing officer; Mrs. Kathryn Kaphelm, alternate director was installing sergeant-at-arms, Mrs. Mary Chase, a past president of Antioch unit served as installing chaplain and Mrs. Deborah Van Patten, also a past president, was installing musician for the evening. Mrs. Dorothy Horan, retiring president, was presented with a gift from members of the unit.

Delegate to Convention

Delegates from Antioch Unit are making plans to attend the 35th annual convention of the American Legion and Auxiliary, Department of Illinois, in Springfield, Sept. 1, 2 and 3. Pearl Anderson, Lucy Himens and Del Janneke are the delegates who will go to Springfield.

Stated Meeting

The first regular meeting of Antioch Unit with the new officers presiding will be held Friday, Aug. 26 at 8 p. m., in the Legion Home.

Goddess of Liberty

Contest Extended to September 17

Girls will have until September 17 to enter the "Goddess of Liberty" contest sponsored by the American Museum of Immigration, it was announced by Christopher G. Janus, acting chairman of the Chicago committee for the Museum.

The time for making entries was extended in order to afford vacationers an opportunity to enter the contest upon their return, Janus said. The contest is open to all girls over 16 years of age, with the girl adjudged the most nearly typifying the ideals of freedom and beauty symbolized by the Statue of Liberty to be crowned "Goddess of Liberty."

An air trip to France, a wardrobe "fit for a goddess," a modeling course at the Patricia Vance Studio and a Hollywood screen test are among the prizes to be awarded the winner.

Applications may be obtained at the office of this newspaper or at the Patricia Vance Studio, 37 South Wabash ave., Chicago.

The Goddess of Liberty contest is being held as a highlight of the civic activities in the campaign to raise funds for the building of a Museum at the foot of the Statue of Liberty to commemorate the contributions to America by all the people of all the races in making the United States the greatest country in the world.

Centennial of Coal By-Products

The coal by-products industry got started a century ago, in 1855, when oil for illumination was first produced near Charleston, W. Va., at a rate of 500 gallons a day.

See the exquisite mountings created for us by the nation's top designers and master craftsmen—using your own diamonds. Modest prices well within even a limited budget.

C. S. HUBBARD

705 58th St. Kenosha, Wis.

Speaker at Methodist Church Next Sunday

Adlan Fernando of Ceylon

The kids were playing "Cowboy" when one ostentatiously swaggered up to a big empty packing case labeled "Last Chance Saloon," pounded on the "bar" and said, "Gimme a rye."

Another kid, far younger, was not to be outdone. He slammed his gun in his holster and pounded on the "bar," too. "And give ME a whole wheat," he said.

Less Than Two Weeks Until A. T. H. S. Opens

Summer vacation time for Antioch Township High School students is rapidly coming to a close, with the 1955-56 school term scheduled to convene on Tuesday, Sept. 6.

Students are requested to report to the high school for class assignment on that date, in order to avoid delay and confusion in the operation of the regular schedule set to start September 7. Students will also receive transportation schedules, locker assignments, and pay rental fees for text books on the initial reporting day.

All teachers have been notified to be on hand September 5 for a discussion of routine school procedures and on orientation of new plans and organization.

Famous 284th Field Artillery Battalion To Re-unite Sept. 4

We have received a copy of the "Helpmate," a publication edited by Ronnie Polson of Antioch, for the veterans of the 284th Field Artillery Battalion. This issue of the publication, number 16, advises all members and former members of the battalion that a reunion will be held at Corbin's Tavern Gardens on Route 21, 1 mile north of Grayslake, on Sunday, Sept. 4.

The event will feature a picnic lunch, ball games, races and other entertainment calculated to amuse the whole family.

Crusoe's Story As Controversial As Davy Crockett's

WASHINGTON — Goatskin-clad Robinson Crusoe, a world hero long before Davy Crockett ever saw a coonskin, is soon to have a statue erected in his honor in Hull, England.

Citizens of this fast rebuilding city, hardest bombed of any British center except London, claim that Alexander Selkirk, the real-life Crusoe, set sail from Hull on the voyage that led to his lonely exile.

Most authorities grant that Selkirk's adventures fed Daniel Defoe the main plot for his classic. Two islands, however, still maintain theirs is the Crusoe Island.

The confusion derives from the mobility of Defoe's mind. He built his story around the rugged four years and four months Selkirk spent on Mas-a-Tierra, a boomerang-shaped rock mass 400 miles off Valparaiso, Chile. But he dipped his pen into the Caribbean for the setting.

The novel, published in 1719, describes Crusoe as a mariner "who lived eight and twenty years, all alone in an uninhabited island on the coast of America, near the mouth of the great river of Orinoco." It also tells of Crusoe's sighting a near-by island, identified as Trinidad.

Tobago therefore must have been the fictionalized Crusoe island, since Trinidad is the only island visible from it.

Selkirk was not shipwrecked. A hot-tempered Scot, he ran away from home to join the English buccanniers. When 32, he shipped on the "Cinque Ports." Quarrelling with the captain, he asked to be put ashore. The captain gladly set him down at Mas-a-Tierra with a box of clothing, a gun, powder and bullets, a little tobacco, hatchet, a Bible, knife and kettle.

Grade Schoolers Learning Languages

UNIVERSITY PARK, Pa.—Now they're teaching grade school children foreign languages.

As an experiment, 32 boys and girls of the 3rd, 4th and 5th grades were enrolled in a six-week course in Spanish and French at the Pennsylvania State University.

The project not only gave the children an introduction to a foreign language, but provided faculty members with first hand information on developing effective teaching methods.

Teaching aids, such as doll houses, toy animals, or puppets are used effectively in teaching languages to children.

Dr. Franklin B. Krauss, head of the department of Romance Languages, points out that children can become acquainted with a foreign language in the same way they first learn their native tongue before they know anything about nouns and verbs and dangling participles.

Average 1955 Model Car Uses 22.8 Light Bulbs

CLEVELAND—New automobiles are better lighted than ever before. The average 1955 model passenger car uses 22.8 light bulbs. The typical American home employs only about 19 general lighting lamps.

The increase of electric light sources on automobiles has been a slow but steady one. Although the changeover from acetylene to electric headlamps was underway as early as 1910, the number of bulbs per car by 1925 had reached only 8.5. This figure reached 13.5 in 1940, 16.3 in 1946, and 18 in 1950.

Among light bulbs used in today's well-lighted car: back-up lights, parking brake indicator, clock, glove compartment, ignition switch, map, dome, under hood, trunk, hand spot, ash tray and compass lamp.

Diet Won't Affect Cancer Susceptibility

CHICAGO—The theory that vegetarians are less likely to get cancer than meat eaters just can't be proved, a physician has written in the Journal of the American Medical Association.

There are two exceptions to the general rule that vegetarians and meat eaters are equally susceptible, he said. Women who have a disease called Plummer-Vinson syndrome, which apparently results largely from lack of iron and vitamin B, tend to have more cancer of the mouth, pharynx, and esophagus. This is due to the unavailability of green vegetables. The other exception is the high incidence of cancer of the liver among the African Batnas, who eat virtually no meat.

Pig Gets Treatment

MELUN, France — An automobile driven by salesman Marcel Regnier collided with a 242-pound boar on a highway near here.

The car went to the repair shop. The boar was taken to a hospital—not for a treatment, but as an adornment to the patients' menu.

John W. Horan New Legion Commander

John W. Horan, Jr., center, receives from Martin Segal, left, tenth district commander, the gavel of authority as new commander of the Antioch post, American Legion, while Dan H. Lightsey, right, retiring commander, looks on.

Elizabeth E. Skurdanis, Channel Lake Resident Is Buried in Chicago

Mrs. Elizabeth E. Skurdanis, 52, of Woodcrest subdivision, Channel Lake, died Wednesday, August 24 at her home following an illness of five months. She was born July 12, 1903 at Virden, Illinois, after moving to Chicago in 1917 and for the past eight years lived at Channel Lake.

Survivors are her husband John and her parents, George and Agnes Vivian, of Chicago; two brothers, Thomas and Arthur, both of Chicago; and three sisters, Jessie, Margaret and Ellen.

Funeral services will be held at a Chicago chapel at 4401 South Kedzie ave. Interment will be in Evergreen cemetery.

Mrs. James Webb Improving

Mrs. James Webb who was badly hurt, as was her husband, in a collision of cars in McHenry county last spring, is showing improvement at Woodstock hospital where she has been cared for since the accident. Mr. Webb was dismissed in June, but Mrs. Webb, who was the more severely injured, developed uremic poisoning and was quite ill two weeks ago. She is now improving steadily. Mr. Webb is staying with his son, Robert J. Webb and family at Winsor dr.

The elder Mr. and Mrs. Webb were on their way to Antioch from their home in Winter Park, Fla., when their accident occurred.

A wife is a woman who sticks with her husband through all the trouble he wouldn't have if he hadn't married her.

Kansville on Rte. 83 Will Become Air Base; To Boom to 3,000 Pop.

If Antioch residents think there is a lot of traffic through the village now just wait until the new Air Defense Command base is constructed at Kansville, 13 miles north on Rte. 83.

The Wisconsin village which now has a population of 100, is expected to boom to a village of 3,000 or more. There will be 2,325 personnel and families. This figure broken down calls for approximately 150 officers, 1,225 airmen, and 250 civilians. About 76 per cent of the officers and 43 per cent of the airmen will be married and approximately 56 per cent of the officers and 31 per cent of the married airmen will have one dependent.

The estimated annual base payroll will be \$4,900,000.

Since Rte. 83 will be the main route south from Kansville, Antioch may expect to see a lot more through traffic, and possibly the merchants may benefit from some of the business that travels with it.

Father of Mrs. Nelson Dies in New Mexico; Brought to Woodstock

Roy Wrigley, 63, father of Mrs. Wendell Nelson of Antioch, died Wednesday, Aug. 17 at his home in Alamogordo, N. Mex., following a heart attack. He was ill but 15 minutes.

The body was brought to Wood-

stock where the Wrigleys lived until five years ago when they moved to Alamogordo. Mr. Wrigley was in charge of the typewriter division of the army, having become acquainted with the typewriter business while employed at the typewriter factory in Woodstock. The wife, the daughter, and a step-son survive. The funeral service was held Monday afternoon.

Your electric friend "LITTLE BILL" says:

"I'll cook your meals electrically—
for pennies a day!"

How Public Service
Company keeps your
electric bill down—
(while everything else goes up)

Though the cost of living has doubled—today electricity actually costs you less per kilowatt-hour than it did 25 years ago.

Many new ideas have helped Public Service Company keep the cost of electricity low. Today, for example, we send out your electric bill every two months. This cuts the cost of bookkeeping, printing, and meter-reading in half. And, by putting your bill on a post card, we also save on envelopes and postage. These "little savings" all add up to a big saving for you in lower-cost electricity.

So today, while you're using far more electricity than 25 years ago, you're actually getting more of it for your money (almost twice as much, as a matter of fact).

Oh, Oh! 'S Wrong Way!
COAX In Customers With
ADVERTISING
Backed by Good Service!

SUCCESS STORY-with a profit-sharing pay-off for you

You get a triple bonus in today's top-selling Buick

\$2299.88

delivered locally

-less the whopping big
allowance we'll make
on your present car!

12-door, 6-passenger Buick SPECIAL
Sedan, Model 48, illustrated. Any state
and local taxes, additional. Prices may
vary slightly in adjoining communities. A
wide variety of extra-cost equipment and
accessories available at your option.

HOW would you like to own the hottest-
selling Buick in history—for plenty
less dollars than ever before this year?

How would you like to boss a beauty like
the one pictured here—big and broad and
ride-engineered for solid comfort—and gain
a bonus in the bargain?

And how would you like to command a
hoof of the highest V8 power in Buick

**1. Bonus Trade-In
Allowance**

-biggest in our history

2. Bonus Buy

-because Buick is the thrill
of the year in style, power,
performance, value

3. Bonus Resale

-because a Buick always resells
high—brings you more money
when you trade it in

history—feel it surge in absolute smooth-
ness through the switch-pitch magic of
Variable Pitch Dynaflo*—and know you
got all this sizzling action at a far better buy
than you ever could before?

It's all for you, right now, in a profit-sharing
deal like you've never seen before, because
there's never been a year like this.

For Buick today has broken every sales

record in its history. We've never soared
so high before—outstripping by far the huge
success that zoomed Buick into the top
three of America's best sellers.

So we're sharing profits with you—by add-
ing a big bonus to the extra-long trade-in
allowances we've been making all year.

Drop in and see what a whopping big deal
you can make this very day on the car that's
so definitely the thrill and buy of the year.

*Variable Pitch Dynaflo is the only Dynaflo Buick
builds today. It is standard on ROADMASTER, optional
at modest extra cost on other Series.

**Thrill of the year is Buick—
Biggest-selling Buick in History!**

(So were trading
high, wide—and
then some!)

Protection in a checking account, too

"I've heard a lot of talk lately about bank deposits being insured by the Federal Deposit Insurance Corporation. It just dawned on me the other day that my checking account as well as my savings account gets this protection."

Each depositor is insured up to \$10,000 for all deposits held in the same right and capacity (for any kind of deposits). We and other insured banks pay the full cost of this insurance. Open your checking account here.

THIS IS THE CAR TO TRY FOR SURE!

Great Features back up Chevrolet Performance: Anti-Dive Braking—Ball-Race Steering—Outrigger Rear Springs—Body by Fisher—12-Volt Electrical System—Nine Engine-Drive Choices in all models.

This is the Chevrolet that's rewriting the record books—that's making all the other low-priced cars eat its dust . . . and most of the high-priced cars, too! Be sure to try this new champ before you buy anything.

When we say that Chevrolet's the car to drive, the official record books of stock car competition back us up all the way.

Listen to this—as just one example:

Daytona Beach—NASCAR* Acceleration Tests Over Measured Mile From Standing Start. Chevrolet captured the four top positions in its class—and beat every high-price car but one!

Come in—the weather's so nice these days that we love to get out in it too! And giving you a demonstration drive is all the excuse we need!

*National Association for Stock Car Auto Racing

Drive with care . . . EVERYWHERE!

America's hottest performer because it's got America's most modern V8!

Central High Will Open September 7 With 400 Students in Classes

Central High School at Paddock Lake, Salem, Wis., will open the new school year on Sept. 7. Central's enrollment will exceed 400 students. It is anticipated that portions of the present building addition now under construction will be available next February.

The noon hot lunch program will operate the first day of school at thirty cents per meal. A \$4.50 incidental and book rental fee is required of each student. The bus routes will be relatively the same as last year, but students should be at the pick-up spots about ten minutes earlier. Pupils who haven't registered or adjusted their program conflicts are urged to do so before school opening.

The Central faculty will report Sept. 1 for a three day workshop.

Two additional teachers have been added. John Dally has charge of guidance, and Ralph Antes will assist in Industrial Arts.

Takes Over Gas Station

Ben Noble took over the Cities Service gas station at Rte. 83 and Rock Lake rd. north of the village Monday. The station was formerly operated by George Graber who plans to go to a hospital for a check-up of an ailment growing out of military service. Noble is a former employee of the Carlson Ford, and former R-J Chevrolet companies in Antioch.

Farm Management Tour Slated for Lake County

Farmers, and others interested in farming, will be able to study the methods used by successful Lake County farmers during the farm

management tour on Wednesday, August 24, 1955.

Farm Adviser Ray T. Nicholas says the tour will be at 1:00 p. m. at the Douglas Shanks farm located 1/4 mile west of route 83, 1 1/4 miles north of Ivanhoe, and 2 1/2 miles south of Grayslake.

Norman Specht, the Farm Bureau

Farm Management field man for this area, and University of Illinois farm management specialist will help conduct the tour, Nicholas said.

They will point out the weak and strong points of the farm businesses and show how important these points are in their effect on the total farm net earnings.

Last year nearly 50 people attended the event in Lake county. About 8,000 people—50 per cent of them nonmembers of the management service—attended the tours

in 88 Illinois counties. If you learn only one new idea to help you farm better, you can consider your time well spent in this tour, Nicholas concludes.
